Stateroom pricing is available in United States or Canadian dollars. The US dollar prices are outlined below. Canadian dollar pricing is available from the cruise travel agent. We have 150 staterooms allotted to our group, divided among different categories. There are now less than 50% of these staterooms still available. Note that the group rates for each stateroom category are less than the published rates available to the public. In addition, our cruise group receives a bonus and discount package outlined below, as well as access to group activities organized by your cruise hosts.

The following prices are in **U.S. dollars** per person / based on 2 persons per stateroom:

Inside Staterooms – category K	\$1,099.00*
Inside Staterooms – category J	\$1,129.00*
