### IMPORTANT JUDGING NOTES:

\* Use a decimal score for each area. Only the Final Score Judging Sheet scores should be rounded.

\*\* If any subcategory (items defined under section A, B, C, etc.) scores less than 70% of its assigned value, (see the "red alert" column on the Official Model "A" Ford Judging Sheet) the Team Captain shall identify the reason, using the proper Deduction Codes listed on the right margin of this sheet.

\*\*\* Deduct 1/4 point if the oil can is missing on pre-May 1928 vehicles.
