(RP) Reproduction Part
(IP) Incorrect Part/Material
(IF) Incorrect Finish
(IA) Incorrect Assembly
(PM) Parts Missing

Quality---One-half

(OR) Over Restored
(PW) Poor Workmanship

IMPORTANT JUDGING NOTES:

Correctness and working order is the **primary objective** in this area. Do not judge wiring or plating!

* Use a decimal score for each area. Only the Final Score Judging Sheet scores should be rounded.

** If any subcategory (items defined under section A, B, C, etc.) scores less than 70% of its assigned value, (see the "red alert" column on the Official Model "A" Ford Judging Sheet) the Team Captain shall identify the reason, using the proper Deduction Codes listed on the right margin of this sheet.
